MARCH 2019

Do you have a personal cart you would like to use on the golf course but you don't want to tow it to the course? We have a couple openings in the cart shed. Please see Todd to enquire about the fees . This will be open on a first come first serve basis. Don't wait to long.

**Script notice**—All script won in golf tournaments last season will expire on June 30th. Please use all your script before this date.

**Aerification dates**—Depending on weather, aerification is scheduled for Monday, March 18 and Tuesday, March 19th.

Make sure to take a look at the new product for 2019. Callaway, Ping, Taylor Made and Mizuno are just a few of the companies we will carry. Callaway's new Epic Flash driver is probably the hottest club out there right now. Demo's have arrived, so come try the newest and greatest equipment for 2019.

**Coming Soon!** 2019 Yamaha Golf Carts.

In April 2019 we will be receiving our brand new 2019 Yamaha golf carts.
