Table Talk

NOVEMBER 2018

Members carts in the Cart Barn

In the past 2 months we have opened up 10 new stalls in the cart barn for members to put their private carts. We currently have 3 spots available and are opening it up to a first come first serve basis on those spots. Please see Todd or let Pro Shop Staff know that you want the spot.

Carts that are in the shed are to be used by the member or members on the membership only. You cannot let friends or family members use your cart. This is in the contract that you signed. So please let anyone know that asks to use your cart that you cannot let them use your cart and that they can rent a cart in the Pro Shop.

Shared Cart Policy

Table Mountain Golf Course is not a mandatory riding golf course, carts are charged per seat. Players will be asked to pair up with 2 people riding per cart only!

Please speak to a Pro Shop attendant or see the cart release form for all rules and regulations pertaining to cart rentals.

The reason for the "Shared Cart Policy" is due to the wear and tear on the golf carts. As well as wear and tear on the course. With carts going out with only one person we have been running out of carts and we are losing revenue by losing a seat in the single occupancy. We apologize for any inconvenience this may cause. Any questions pertaining to the "Shared Cart Policy" please see Todd.

To Membership

Due to many obstacles the Holiday Staff Donation Program has been cancelled. However we will be going forward with our budgeted year end luncheon and funds the employees collect from our recyclables as in past years. We feel we have a very good staff and wanted try to give a little more to the staff this holiday season. You as an individual are more than welcome to show your holiday cheer to any of the employees. We want to thank the staff for the hard work this season and to a very successful 2019 season. Thank you to the membership for supporting TMGC. This is your course and we strive to provide you with the best product possible and our staff plays the biggest role in making this happen.
