Table Talk

June 2019

TMGC Membership,

We wanted to keep you posted on the activities over the past few months. We have hired a new Restaurant/Bar Manager. Her name is Corinna Buchanan. She has been at it for about 3 months now. The crew, Kathleen, Maria, William, Dina, Megan and Heather have been doing a great job getting acclimated to the managing style of their new manager. We wanted to thank you for being patient through this transition stage. We have implemented a new menu and we will continue to mix up the draft beer selection. Corinna has a background in catering and had previously worked at Round Table Pizza. So make sure to welcome Corinna and don't forget to let the crew know how good a job they have done during this transition period.

As for the Maintenance Crew, we have hired a new Superintendent. Some of you may remember him. His name is Stacy Baker and he worked at Table Mountain as our Superintendent about 11 years ago. Stacy recently was the Lead Agronomist at Haggin Oaks Golf Company. Stacy was the lead Superintendent for 4 golf courses. In 2014 Stacy won the Northern California PGA Superintendent of the year award. Needless to say we got ourselves a top notch Superintendent to make our course better. We wanted to let the maintenance staff know how good a job they have done during the process of finding a new Superintendent. Brian, Tom, Felipe, Clay, and Paul have stepped up and showed their dedication to TMGC. These 5 guys and at times we only had 4, have been mowing this course, fixing broken equipment, fixing irrigation leaks and taking care of extra projects. This is a skeleton crew that stepped up and did a fantastic job. So please make sure when you see them on the course to let them know how great a job they are doing.

Coming in August is our 7th Annual Friends of the Golf Course Tournament. Fliers are located in the clubhouse. Please try and put together a team and maybe even give a donation to the pro shop desk. This is a great program. The Friends of the Golf Course Committee has purchased many things around the facility to make your stay here more pleasant and the course more beautiful. This Committee has purchased new patio chairs, the north side pergola, two new tv's, paid for the fenced in entrance area, and will fund the project behind hole #18. The project on #18 will be a row of redwood trees to go behind the hole to separate the banquet area from the golf course. This will give a beautiful back drop behind #18 green.

The season is here and we have a lot of new product. Call the pro shop and ask for Mike Nogavich or Todd Moran to get a club fit done to get the clubs that best fit you. 530-533-3922
