Table Talk

August 2019

FRIENDS OF THE GOLF COURSE

Thank you to everyone that participated in the FOGC golf tournament played on Saturday, August 3rd. This was the largest field we ever had, 134 players. There were many raffle prizes including rounds of golf at 14 different golf courses. We want to thank all of our sponsors. Without you this event would not be such a huge success.

In the past couple of months the FOGC committee has purchased two new TV's for the restaurant, patio chairs on the two patios and helped with the purchase of the nice fence around the entrance area. The next project is focused on separating the golf course behind hole 18 and the banquet area. A row of trees will be planted and irrigation installed for the trees as well as a flower bed that will run behind 18 green. We will also be planting more oleanders along the entrance road behind the clubhouse. This will enclose the banquet area and make it more private for weddings and other events. The plans for this project are posted in the restaurant.

This committee is driven to make everyone's visit at TMGC more enjoyable as well as beautifying the golf course. Other projects done in the past include, the concrete and accessories around the driving range and the pergola on the North side of the clubhouse. Want to help? Donations can be made anytime of year in the pro shop. Any ideas to beautify the golf course the FOGC committee is open to hear your ideas.

Thank you, FOGC Committee.
