Table Talk

February 2020

Spring is around the corner.

Starting February 1st, the Pro Shop will not open until 7 am. The restaurant hours will be 9 am to 2 pm and the bar will stay open until 5 pm. We will also be running a smaller menu during this time. Our plan is to run these hours and menu through March. This is due to cost cuts we are trying to make during the winter months. We want to apologize for any inconvenience this may cause. We ask that you be patient during this time.

The great weather is right around the corner. It has been a while since we have had mowers on the fairways, roughs, and surrounds. So we ask for your patience once again and be cautious of the guys out there mowing. Through March we will have 4 employees out there mowing the course as best they can. We have a great crew and as long as the equipment stays up and running we will have this course mowed for your playing pleasure. They will be out there mowing EVERYTHING very soon making the course better for YOU! Make sure and let them know the great job they are doing out there.

The Pro Shop will be getting new merchandise periodically. Most of the new product will be coming here in March and April. We want all the members to remember that if you find something you want and we don't have it, you can always special order and you still receive your member discount. We have added a few new outside tournaments this season. We feel this season will be a big one for Table Mountain Golf Club.

The Restaurant as I mentioned earlier will have a new menu. We have really cut back on breakfast and tightened up our lunch menu. This will keep cost of goods down and we will still have enough on the menu to accommodate all the golfers. If you have not seen the cornhole tournaments posted in the shop, we do a tournament once a month and we will be starting a league on February 20th. The league will start at 5:30 pm and we will try to coordinate a tap take over for those nights. For the tournament on February 8th we will have Deschutes Brewing Company here and we will have 4 of their beers on tap for you to try. So whether you are playing in the cornhole tournament or not and you like to try new beers, come on out.

Membership special for the months of February and March will definitely benefit our current members. If any current member has a friend or family member that may be interested in membership and you get them to sign up, you will receive a \$100 gift card that may be used in the pro shop or in the restaurant. So get out there and find us some new members.

Thank you,

Todd Moran, PGA
