Table Talk

November 2020

Here we are at the end of the 2020 season. What a crazy season it has been. This golf season has brought us many new faces and new golfers to our club. As a member of our club you have seen a lot of changes and guidelines we have had to follow. We have been working through those and we want to thank you all for your understanding during this season. As the season closes, here are a few things we want you to be aware of;

1. **Script deadline has been moved to December 31st, 2020.** Make sure to use your script before this time. With COVID cases rising golf companies are backed up on getting orders to us before Christmas. If there is something you want to special order, please get that order in to us as soon as possible.
2. Thanksgiving Day Shotgun. We will have a 9 am shotgun start on November 26, 2020. The golf course will close at 3 pm on this day. Posted on the bulletin board is a tee sheet for you to sign up. Pick your starting hole. It is first come first serve.
3. We will not bring in any new product until the new season starts. The product we will do our best to fill in will be golf balls, gloves and tees.

We want to make sure and thank our staff. Our staff has done a wonderful job during these rough times. Our golf course is in the best shape it has been in for a long time. Thanks to Alejandro Hernandez, Golf Course Superintendent and his staff for bringing our course back to what we had grown accustomed to years ago. Alejandro has done things to our course that have not been done in a long time. Thank you to Corinna and the restaurant staff doing the best they could do with the strictest guidelines in the entire facility. She managed to keep the restaurant open during these difficult times where a lot of restaurants in our state have closed. Great job to Mike and the pro shop staff. We have had an extremely busy season on the golf course. Rounds will be up this year and the limited staff we have had during the pandemic have done a great job. Want to also thank our board of directors. They have been there through the entire process and have given us great insight for projects on the course and procedures to do during this time. The BOD has been there supporting our great staff and the staff would like to thank them.

Todd Moran, PGA

UPCOMING EVENTS
