TABLE MOUNTAIN GOLF CLUB, INC.

## PRESIDENTS MESSAGE

The 2020 year is coming to an end and what a difficult year it was with the pandemic across our nation. Locally in the beginning the Covid-19 cases were very low. Now the current number of cases has increased in the North State, so we at Table Mountain Golf Club will continue to exercise the importance of wearing a mask and social distancing while you're at the facility. If your ill with a cold or have been in contact with someone who has been infected with the Covid-19 virus, do your part and get checked out. Help protect your fellow golfing partners and avoid using the facility until you know your safe to socialize with friends and family.

We have lost many long time members from Table Mountain Golf Club this past year for many different reasons. Lack of play, re-locating out of the area to name a couple. I encourage current members to talk about our course and its conditions with your friends and family members. Get them interested in a game you can play for a life time. What a better way to get out and enjoy the time outdoors and play a very challenging game.

Check with the Pro shop staff for membership specials, or talk to Todd Moran our Head Pro and Director of Golf, he can help you find a membership that will fit your needs whether it's single or family membership.

I've been a member at Table Mountain Golf Club for quite a long time and I have to tip my visor to the great work Alejandro Hernandez has accomplished on our greens during the short period of time he's been with us at Table Mountain Golf Club. The care and the repair work that his staff has been doing on the greens makes it enjoyable to putt on such a fine putting surface. Let's all do our part by repairing your divots and a few more while you're on the green. I'm sure most of you have seen the repair work being done on all of the teeing areas and they will be in fine shape this coming spring. As you can see he's adding trees to the course and thinning out the dead ones. Alejandro has plans to get the course in prime shape for the 2021 New Year.

Corinna Buchanan and her staff have done a fine job with the service during the complicated guidelines we need to follow, to ensure we are social distancing in the bar and grill areas. Please show some patience when ordering food or beverages. We will resume back to some normalcy once we start to get the upper hand on this virus in the North State.

I'd like to wish at this time, to our Membership, Head Professional and Director of Golf, Department Heads and staff, and fellow Board of Directors a Merry Christmas and a Happy New Year. Enjoy your time with family and friends during this holiday period, get out and enjoy our great golf course.

President of the Board of Directors, Roberto Esparza

### TABLE MOUNTAIN GOLF CLUB STAFF

We want to congratulate Mike Nogavich for completing his PGA schools and getting his PGA Class A membership. Mike has worked long and hard to get through this program. For those of you not sure what it means to have a Class A membership, well, Mike is a certified PGA Member.

Mike has put in a lot of hours getting through this program and working here at TMGC. Mike has been doing most of the day to day operations in the pro shop and he has been doing a fantastic job.

Great Job Mike!

## Table Mountain Women's Golf Club

This has been a good year for our women's club. Adhering to the safety guidelines for the COVID-19 virus, we were able to continue golfing and enjoying our sport. In August, we had a great turnout for the Club Championship with 21 ladies competing. Congratulations to Sandy Goble our 2020 TMWGC Champion!

The Most Improved Golfer award for 2020 went to Tracie Cvitkovich. Tracie's handicap on 12/1/19 was 16.7. It dropped to 12.2 on 12/1/20 - a drop of 4.5 strokes or an improvement of 25% year over year! Sandy Goble had the most birdies for this year with 60 birdies.
