Table Talk

April 2021

Finally spring is in the air and the start of a new golfing year ahead of us. The golf course is shaping up nicely, ready for all participants to toss down some low scores during your weekly round.

Hopefully you'll be participating in either one of the weekly summer league events Men's Twilight League or the Mixed Couples League. Both are fun events to get involved with, meeting different players from our membership, plus it can be very competitive golf.

We are finally getting this Pandemic behind us and we can start opening up food services for all of our patrons. Summer hours for the bar and grill will be increased as the days get longer. Our beverage cart will be hitting the road bringing you your favorite beverages while you're out on the course enjoying your round. Remember to call your orders in on holes #8 and #17 to help speed up service. This summer Corinna has plans to get our BBQ grill out at the turn to have burgers and dogs ready and a cold drink to wash it down with.

As you can see the golf course is looking very good and Alejandro's crew is doing a great job keeping it playable for all levels of play. The hard work that has gone into preparing the golf course this past winter is starting to show us how nice and green our golf course can truly be. Get out on the course and enjoy your round.

Keep your eyes open in the Pro Shop. New items will be arriving to us and you'll want to get your hands on the latest equipment, allowing you to play your best out on the golf course. Check in with our Pro Staff for a fitting or a lesson. Help improve your game whether it's clubs, apparel, golf balls or lessons. Make the game fun and enjoyable during your round.

So get out there on the golf course and start enjoying this great spring weather.

President of your Board of Directors,
Roberto Esparza
