Table Talk

AUGUST 2021

On July 26th, 2021, we had our first member dinner in quite some time. We had an Hawaiian Luau. This was a huge success that was put together by our Membership Committee chairperson, Christl Yates. Christl got together with our F&B manager, Corinna Buchanan and organized a great time by all that attended. We had approximately 45 people attend. This included members and their guests. All the guest received a free round of golf and got to experience what a great membership we have here at TMGC. The social was capped of with a great putting tournament that was designed by our own, Mike Nogavich. Everyone had a great time. Christl plans on having a member social at least once a quarter. Look out for the next one.

Member credit card auto pay has been put on hold. We plan on getting a new point of sale system sometime in November and in getting the new system we will need to gather all the information from everyone a second time. When we get the new system and you want to have auto pay, you will need to come into the pro shop and we will scan your credit card that will encrypt the numbers on the card. We cannot have everyone's credit card numbers on file. This will be safer for the course as well as the member. We plan on doing this in January 2022. Sorry for the inconvenience.

We have a lot of new product coming in that has taken months to receive. Make sure and check it out. If there is something you have seen on TV or something someone else has, check with the pro shop staff, we may be able to order it for you.
