Table Talk

NOVEMBER 2021

Hello Membership,

We are heading into the winter months. The course has received a little water already, but it dried and drained fairly quickly. We did have a problem on hole #9 where the drain is located. If you have not seen, it is roped off due to a sink hole that was created from the big storm we had last month. The entire course drains to this location. With the sink hole problem we are not sure how secure the pipe is under the ninth fairway. Therefore, in the next month or so, we will dig up the pipe and put in a new, bigger pipe. The pipe we will be using was donated by Fred Hugg a couple years ago. Thank you Freddy. With this project we will have routes for you to follow to get past the construction. The ninth hole during this time will be played as a par 3. Hopefully this project will not take too long.

As a lot of you know, the bunkers need some work. For the time being we are going to purchase some sand to put into the bunkers. Our goal is to fill each bunker with at least 2 inches of sand to make the bunkers more playable. The sand was ordered on November 1st and this project should start the following week.

The hood fan in the restaurant has been fixed. It took some time to get the motor. I'm sure a lot you came in expecting to get one of our famous cheeseburgers and unfortunately you could not. Well, they are back! We want to thank Corinna and her staff for coming up with some great ideas in the absence of the grill. Great job restaurant staff!

New Point of Sale System in December

We want to let everyone know that TMGC will be getting a new point of sale system in December. The hardware will be installed on December 6th. Once we get the new system up and running and everyone gets some training, we will have some new things to offer the membership. For example, automatic bill pay.

In getting a new system there will be a learning curve. So, please be patient with the staff during this time. We want to provide better customer service to all of our customers. This new system will allow us to make that happen.

UPCOMING EVENTS

November 2021

TMGC Ladies Club	Thursdays, November 4, 11, 18, & 25	8:30 am TT
November 7th Daylight Saving Time Ends		
Men's Club Tournament	Sunday, November 14	9 am SG
