ON THE COURSE

On March 28th and 29th we will be aerifying our greens. The course will only have 9 holes playable on those two days and the greens will be a little rough for a couple weeks. We need to do this to get oxygen into the greens to help with the health of our greens. Therefore, we apologize for the inconvenience and thank you for your patience.

We have a new point of sale system in the pro shop as well as the restaurant. We have had some issues with the transition, but we are starting to figure some things out. We want to thank everyone for your patience and understanding while the staff learns the new system. It is kind of like learning how to ride a bike all over again. We are receiving updates on the system weekly and we are getting new things added that will help in our service to all of our customers.

This month starts a new regime on the board of directors. Departing from the board will be Bud Willett. Bud did a great job being involved with the City of Oroville and building a relationship that will hopefully grow in the coming years. Also departing from the board is Jason Smock and Dave Dashler. Dave filled in for Jason as the treasurer later in the 2021 term and both did an outstanding job. Remaining on the board will be Johnny Smith and Stuart Avrit. Both have put in countless hours volunteering their time not only to the board but putting in work on the golf course. Excited to keep these two on the board. We have two new addition. Tim Voris and Robert Castleberry will be new to the board this year and we can't wait to see what they add to our club.
