TABLE MOUNTAIN GOLF CLUB, INC., Oroville, CA 95965

**SPRING NEWSLETTER 2022**

**APRIL 2022**

What a great start to the New Year, the weather is starting to cooperate with us and bringing in almost perfect conditions for play at Table Mountain GC.

We just finished up our spring aerification for the first part of the year and the course staff did a fantastic job tackling this process. It's very intensive work and we were able to complete the project in the two days with minimal staff... great job and keep up the good work.

We have a few NCGA events scheduled to be played at Table Mountain GC. We appreciate the NCGA requesting to use our facility for a Lady's and a Men's event this year and we hope they will continue to consider us in future venues. We will have the course in pristine shape, fairways, rough and all of the penalty areas clearly marked for the NCGA events.

A couple of items that you'll see arriving at the course in the next few months. We have purchased a new range cart for the facility. Consistent repairs and breakdowns on the older units caused us to run out of range balls for our patrons. We also purchased a new sprayer. This item is very important to maintaining the quality of the greens, feeding nutrients and wetting agents, keeping the greens looking and playing at their best. We will be able to start spraying the fairways to rid the course of the clover patches and unwanted weeds in the fairways as well.

The Bar and Grill is getting newer tables and high back chairs thanks to the Friends of the Golf Course Committee. We thank you for your generosity. This will give the Bar and Grill a nicer look for your dining pleasure.

Todd is making efforts to keep us supplied in golf balls, golf equipment and all the accessories needed to play the game. It's still taking some time to receive these items, so please be patient if you order an item from the Pro shop.

We have many scheduled events coming up on our golf calendar, so keep your eyes on the bulletin board in the Pro shop for these events. All of these events are fun to participate in from the Ryder Cup to Twilight League play. So get your friends and golf buddies out to the golf course and sign up for future events.

President, Board of Directors at TMTGC

## TEST YOUR KNOWLEDGE ON THE RULES OF GOLF

**1.** During a match, Neil uses a tee to probe into the ground next to his ball to check whether his club will strike a tree root during his stroke. What is the ruling?

- A. There is no penalty.
- B. Neil gets one penalty stroke.
- C. Neil gets the general penalty (loss of hole).

**2.** Neil's ball comes to rest against a large stick - [a loose impediment](#) - in the rough which he removes, but as he takes it away, his ball moves several inches. What is the ruling?

- A. There is no penalty.
- B. Neil gets one penalty stroke and must replace the ball.
- C. Neil gets the one penalty stroke and must play the ball as it lies.

## ANSWERS

**Question 1** A. There is no penalty.

**Question 2** B. Neil gets one penalty stroke and must replace the ball. Under Rule 15.1b, if a player causes his or her ball to move when removing a loose impediment in the general area of the course, the ball must be replaced on its original spot and the player gets one penalty stroke.
